

ANALYTICAL RELEASE

Retatrutide

Lyophilized powder · 1 g · Research use only

BATCH NUMBER

36260301

Product name	Retatrutide	Production date	04 Apr 2026
Project reference	U495NXAZG0	Retest date	03 Apr 2028
Order number	U495NXAZG0-1	Report date	09 Jul 2026
Theoretical MW	4728.47	Storage condition	-25 °C to -15 °C

ANALYTICAL RESULTS

Full analyses · Specification RZ-QCS-1006 (V01)

TEST ITEM	SPECIFICATION	RESULT	VERDICT
Appearance	White or almost white powder	White powder	PASS
Molecular weight	Theoretical MW $\pm$ 1.0 Da	4728.5 Da	PASS
Purity (HPLC)	$\geq$ 98.0 %	99.4 %	PASS

CONCLUSION

This batch has been tested against specification RZ-QCS-1006 (V01). All results conform to the stated acceptance criteria and the batch is released for research use.

REMARKS

For research use only. Not for human or veterinary consumption.
